SUPPORTING OUR COMMUNITY

Here at Monteith's Brewery we take pride in supporting our community and source as many local products as we can for our dishes. Blanchfields bakery provide our freshly baked burger buns. Blackball Black Garlic provide us with their famous black garlic, which we also sell by the jar on our shelves. Our sausages and venison come from the team at Thomsons Hari Hari Butchery, our milk from Our Farms and our gurnard is caught in the Tasman Sea by West Fleet Seafoods. You can also purchase a range of cured meats to take home with you from Blackball Salami. We continually seek ingredients that are ethically and fairly produced.

Add a side of shoestring fries \$4, beer battered fries \$5 or swap shoestring to beer battered fries \$1
